This article will challenge the "*Continuous Weekly Cycle*"

Scripture clearly reveals *three*, categories of days each month, Ezekiel 46:1-3

This is an irrefutable fact that cannot be challenged.

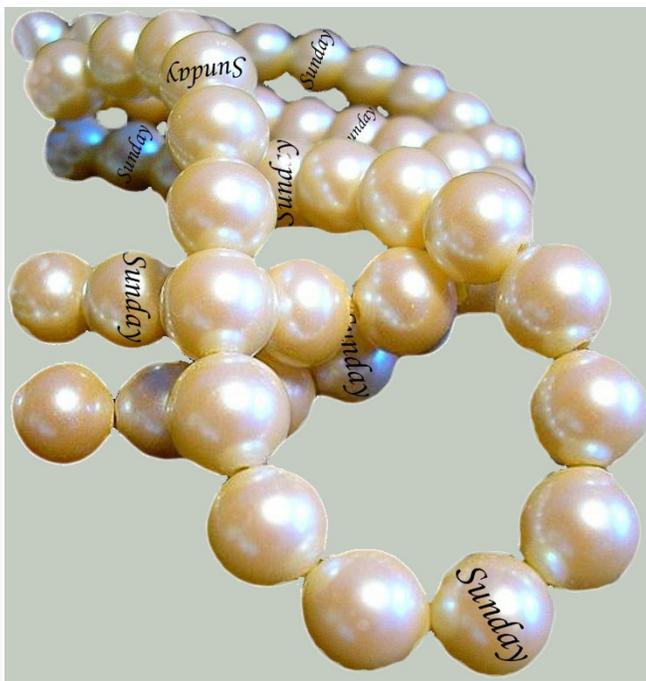

1. *New Moon Day*,
2. *Work Days*,
3. *His Seventh-Day Sabbaths*.

This was established at creation. Genesis 1:14

A two day week, *Work days*, and *Sundays* only, is a result of the pilfering, a change in our Creators seventh day Sabbaths by Rome in an attempt to take worship from our Creator.

Rome's "Sabbaths," as modern calendars attempt to portray giving them their un-Biblical *continuous weekly cycle* like a *string of pearls*. It is Rome who has removed New Moon Days, this so important first day of the Biblical month in an attempt to take the eyes of man off the Creator of the heavens. Why does Rome desire to take man's focus from the heavens? Psalms 19:1, "*The heavens declare the glory of God; and the firmament sheweth his handywork.*" You see, Rome did not, could not build the heavens, the only other thing they could do to gain the worship they so pompously believe they have coming to themselves is to:

- 1) take all eyes off the Creator of heaven and earth,
- 2) devise a counterfeit calendar that hangs only on a wall.

Continuous Weekly Cycle Like A String of Pearls?

Not according to what Scripture reveals.

What is A "Continuous Weekly Cycle?"

If it is your desire to follow the will of our Creator, and to "come out of Babylon," these verses from the Bible provide undisputable proof the Bible has **three** types of days, not two the world wanders after today.

A Continuous Weekly Cycle is a week, month or year that consist of only two types of continually recurring days.

1. A **work day** - This is also found in the Bible.
2. A day the Vatican calls "**The Lords Day.**"

This is what is referred to as Continuous Weekly Cycles:

One week after another, after another without any break, indicator for the beginning of a month:

"Lords day," (Sunday per Rome) followed by 6 Work days.

Sunday - Monday - Tuesday - Wednesday - Thursday - Friday - Saturday

Sunday - Monday - Tuesday - Wednesday - Thursday - Friday - Saturday
 Sunday - Monday - Tuesday - Wednesday - Thursday - Friday - Saturday
 Sunday - Monday - Tuesday - Wednesday - Thursday - Friday - Saturday
 Sunday - Monday - Tuesday - Wednesday - Thursday - Friday - Saturday
 Sunday - Monday - Tuesday - Wednesday - Thursday - Friday - Saturday
 Sunday - Monday - Tuesday - Wednesday - Thursday - Friday - Saturday

One rotation of weeks after another without any break in the cycle.

This is NOT the original intent of our Creator.

Reasons:

1) We are to not even mention the names of these pagan gods from our lips.

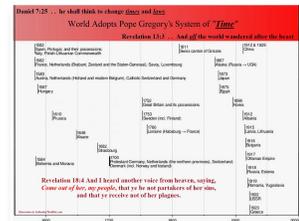

This in the context of the seventh day Sabbath:

Six days thou shalt do thy work, and on the seventh day thou shalt rest: that thine ox and thine ass may rest, and the son of thy handmaid, and the stranger, may be refreshed. And in all things that I have said unto you be circumspect: and *make no mention of the name of other gods, neither let it be heard out of thy mouth.* Exodus 23:12-13

2) The Bible tells us of an additional rest day, "New Moon day," Rome has removed this day from the minds of man.

Why Is This Important?

By the world adopting the Roman Gregorian calendar with it's "Continuous Weekly Cycle," this has taken worship FROM the One who has created all things.

How Can This Take Worship From The Creator?

When the Roman Catholic church changed the cycle of days, it removed the moon from it's calendar, the day of worship our Creator established at creation is no longer recognized. This is the goal of the Vatican because they believe they are "God" on this earth, they believe they deserve the worship as the one and only church who is "able to save the soul." So, over time, they removed the calendar of creation, to Rome's man made calendar, the world calls the Gregorian calendar.

But isn't The "Seventh-day" only for the Jews?

The "Seventh day" ordained at creation is NOT a "Jewish" Sabbath, our Fathers Sabbaths were established by Him at creation for *all mankind* well before any "Jews" were on the face of this earth. Adam and Eve worshiped on His "Seventh day." This is the same "Seventh day" mentioned in Exodus 20:8-10.

A bit of a history of the Roman calendars

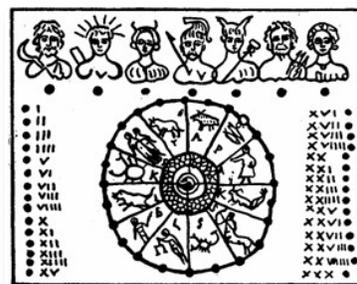

Julian calendar dating from Augustus to Tiberius. The eight-day week is clearly discernible here.

A reconstruction of the Fasti Antiates, pre-Julian calendar dating from the 60s B.C. found at Nero's villa in Antium. The letter A was painted red to indicate the start of the week.

later, a seven-day week Julian calendar illustrated here of a stick calendar found at the Baths of Titus believed to have been constructed 79 - 81 A.D. The center circle contains the 12 signs of the zodiac, corresponding to the 12 months of the year. The Roman numerals to the left and right indicate the days of the month. Across the top of the stick calendar appear the seven planetary gods of the pagan Romans. Saturday, or dies Saturni - the day of Saturn, was the very first day of the week, not the seventh.

Our Creator Had Plans For A Third Type of Day.

Following are Bible verses that clearly indicate, portray, depict a *third type of day*. It is this 3rd type of day, the "**New Moon day**," that breaks the cycle of the Roman pagan "*continuous weekly cycle*."

2 Kings 4:23, And he said, Wherefore wilt thou go to him to day? it is neither **new moon**, nor **sabbath**. And she said, It shall be well.

Isaiah 66:23, And it shall come to pass, that from one **new moon** to another, and from one **sabbath** to another, shall all flesh come to worship before me, saith Yahuah.

Ezekiel 46:1, Thus saith Yahuah; The gate of the inner court that looketh toward the east shall be shut the **six working days**; but on the **sabbath** it shall be opened, and in the day of the **new moon** it shall be opened.

Amos 8:5, Saying, When will the **new moon** be gone, that we may sell corn? and the **sabbath**, that we may set forth wheat, making the ephah small, and the shekel great, and falsifying the balances by deceit?

Colossians 2:16, Let no man therefore judge you in meat, or in drink, or in respect of an holyday, or of the **new moon**, or of the **sabbath days**:

Here is an illustration of what a Biblical month looks like

<p>Ezekiel 46:1, Thus saith the Lord GOD; The gate of the inner court that looketh toward the east shall be 1) shut the six working days; but on the 2) sabbath it shall be opened, and in the 3) day of the new moon it shall be opened.</p>						<p>New Moon Day opened 1</p>

His Third Day WILL Be Restored

Isaiah 66:22-23

Just as Originally Created, So Also, Will He Make New Again

For as the new heavens and the new earth, which I will make, shall remain before me, saith the Lord, so shall your seed and your name remain. And it shall come to pass, that from one new moon to another, and from one sabbath to another, shall all flesh come to worship before me, saith the Lord.

Does Rome Warrant Worship?

She, Rome is the church who changed the times and laws of our Creator

Before we begin looking at the Biblical evidence of what Yahushua our Creator has called a "month," we must first remember a Biblical month of creation is lunar. Genesis 1:14 tells us it is the luminaries of the heavens, the sun, moon and stars that govern "time." It is also imperative we understand Daniel 7:25 warns us that "he [the beast power] shall think to change times and laws," "he" is Rome. The reason he changed the times from what they were at creation is to take

worship **from** the Creator of heaven and earth.

The One who created this world did **NOT** change His **Sabbaths**. The One who created this world did **NOT** give the world the Gregorian calendar to follow . . . Hebrews 4:4 and 8-9 He did **NOT** change His **laws**, and He certainly did **NOT** change His **times** from lunar solar to the wall calendar man wonders after today. Malachi 3:6

He is pleading for His people to "*come out of her.*" Revelation 18:4 To come out of this "change" that has taken place for the traditions of man . . . These are **not** His ways. Colossians 2:8

Mark 7:7-9 "*Howbeit in vain do they worship me, teaching for doctrines the commandments of men. For laying aside the commandment of God, ye hold the tradition of men, as the washing of pots and cups: and many other such like things ye do. And he said unto them, Full well ye reject the commandment of God, that ye may keep your own tradition."*

Again, it was Roman who changed the **times** just as she changed the laws of Yahushua, this is why the world is under the "Gregorian Calendar" today. The calendar was introduced by **Pope** Gregory XIII, after it was named by decree, signed on February 24th 1582. Yes, history is full of many calendars prior to this, it is Daniel 7:25 that warns their will be a "beast power" near the end of days who will gain control of the masses of the world.

But wait, their is more . . .

We need to get to the heart of who is behind all of this.

Their is a hierarchy . . . Who is really pulling the strings here?

Isaiah 14:12-14, ¹² How art thou fallen from heaven, O **Lucifer**, son of the morning! how art thou cut down to the ground, which didst weaken the nations! ¹³ For thou hast said in thine heart,

I will ascend into heaven,
I will exalt my throne above the stars of God:
I will sit also upon the mount of the congregation:
I will ascend above the heights of the clouds;
I will be like the most High.

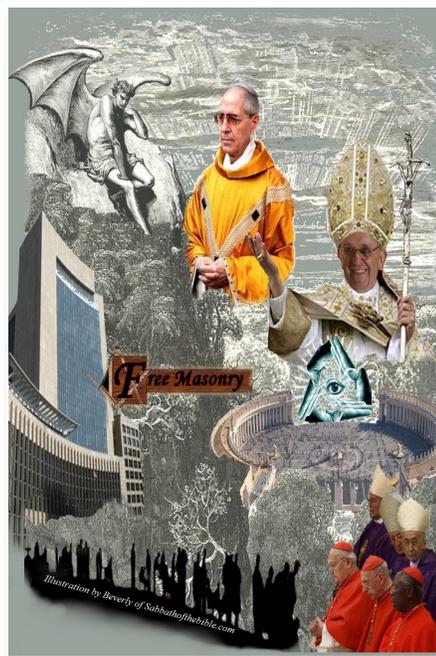

This is the battle between principalities, against powers, against the rulers of the darkness of this world, and against spiritual wickedness the Bible speaks of !!

Ephesians 6:12, For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

While it is Rome who claims to be "*God on earth,*" it is ultimately the desire of Satan who is after your worship. The Bible verses above clearly reflect the will of this fallen angle. Now if you thought you were "god," as Satan does, the natural inclination would be to expect those around you to worship you . . . This is what Satan is working towards through Rome . . . To gain total worship of every soul drawing a breath.

Today, it is not that you must worship on a specific day, although this **IS** the ultimate goal of Satan. It is the fact that you are **NOT** worshipping on the day set aside by our Creator that makes Satan happy. If he is able to keep you worshipping on any day other than that our Creator has ordained at creation, he has achieved his goal. Remember, there **will** be a day soon where **Sunday**

laws will be enforced, they already are being enforced in many countries around the world . .

Furthermore, **we** declare, **we** proclaim, **we** define that it is **absolutely necessary for salvation** that every human creature be subject to the Roman Pontiff.

["we" is the self proclaimed Roman Catholic Church]

(emphasis added) *Pope Boniface VIII, Unam Sanctam (Rome: 1302)*

But to believe that **our Lord God the Pope** the establisher of said decretal, and of this, could not decree, as he did decree, should be accounted heretical (emphasis added) *The Gloss of Extravagantes of Pope John XXII*

This thought has been, and is, a source of deep concern to Us; for it is impossible to think of such a large portion of **mankind deviating, as it were, from the right path, as they move away from Us**, and not experience a sentiment of innermost grief. But since **We hold upon this earth the place of God Almighty...** (emphasis added) *Pope Leo XIII, Praeclara Gratulationis Publicae-The Reunion of Christendom (Rome: 1894).*

Those are but a few small samples of the quotes where Rome claims to be "God on this earth."

In many arenas the Bible clearly identifies this "beast power" as being the "Mother church," the Roman Catholic church claims to be the only "way to salvation," and claiming to be "God on this earth."

The church of Rome has done everything in her power to remove from the minds of man the true Creator of the heavens and the earth and all His glorious work of redemption. Rome did not achieve this overnight, her ultimate goal is to institute her "Sunday worship laws" expecting the world to prostrate it self before her.

"And ALL The World Wondered After The Beast . ."

Yes, it is the Roman Catholic church that has changed the "times" and "laws" of our Creator. For now we will address only the changing of His times. Over the course of many centuries Rome has finalized her greatest deception in gaining the majority of the worlds worship on the Roman sun god day she calls "Sunday."

1582:

Gregorian calendar is decreed in a papal bull by its namesake, Pope Gregory XIII.

The Gregorian calendar was devised by Italian doctor and chronologist Aloysius Lilius, primarily as a way of getting the various churches to agree on a formula for determining when Easter should fall. It also approximates a tropical year, the time it takes for the Earth to complete a full orbit around the sun.

The day is the basic unit of time, and 365 of them comprise a "common" year by the Gregorian computation. "Leap" years, consisting of 366 days, are blended in so that the calendar, based on a mathematical formula, will completely repeat itself every 400 years. The Gregorian calendar is divided into 12 months.

Adoption of the calendar, (Gregorian calendar) which replaced the older lunar and Julian calendars, was a drawn-out affair. While most Catholic countries switched over within the year, the non-Catholic world was reluctant to bow to Rome. The Protestant German lands didn't adopt the Gregorian calendar until 1700. And it took 170 years, until 1752, before the British Empire finally caved, which led to some pretty messy bookkeeping.

The modern world, with the exception of some Orthodox churches that continue observing Easter

- Year begins Exodus 12:2
 - **Months** (H2318) (chadash) **new moon; a month, new moon**
 - Weeks 1 Corinthians 16:2, no week day pagan names in that verse
 - and when days begins John 11:9
 - They have replaced Yahushua's holy feast days with pagan holidays
 - Daniel 7:25 warned they do just that
- Rome is clearly identified as the beast of Daniel and Revelation
 - So much Bible text demonstrating this, we will cover it else where
 - The luminaries in the heavens are for "***time***" Genesis 1:14
 - This is the **only** way the Bible refers to *time* Leviticus 23:5
 - [See more on the language of the Bible here](#)
 - All else is an abomination to the Creator Exodus 23:12-13
 - The fall of Lucifer and his desire to be like God Isaiah 14:12-14
 - Satan is the deceiver of all Revelation 12:9
 - Daniel warned us of the changing of "times" and "laws"
 - We are now watching Bible prophecy unfold before our very eyes Daniel 7:25
 - ***Daniels warning is fulfilled***
 - Today, the whole world does wander after the beast, It is the changing of ***time***, as we witness the whole world involved in a day of worship **other** than **what our Creator has set aside**. Mark 7:7-9

The original question was "***Does Rome Warrant Worship?***"

Of course the answer to this is **no** !!

And if not, why does the world wander/worship according to her continuous weekly cycle?

Please, our Creator is calling His people . .

And I heard another voice from heaven, saying, **Come out of her, my people**, that ye be not partakers of her sins, and that ye receive not of her plagues. Revelation 18:4

Now that we know without a doubt who is responsible

Let's explore what a Biblical month looks like.

Remember, **EVERY** one of the changes Rome has made to both the "**times**" and the "**laws**" is to **remove** the Creator of heaven and earth **from the minds of man** and to bring worship to themselves.

This - Is - WHY - Rome - Has - Changed - Times.

This is something the world is not aware of, this is the propose of this site, so that mankind might know, Hosea 4:6 then be able to make an intelligent decision to return to the ways of our Creator, to "**come out of her.**" Revelation 18:4 If you are worshipping on **any day** other than a **lunar Sabbath** according to the Bible, including a Gregorian Saturday, your Creator is most likely at work that day and not available to receive worship . . This is why our Creator states we "worship Him in vain."

Holy Father? **Allow me to make this as plain as possible, the Gregorian Seventh-Day, the day the world**
 Matthew 23:9, **refers to as Saturday is not the seventh day Sabbath of the Bible** . . In the eyes of our Father
And call no man this is just a another pagan day. To **Satan** this is a **good day** because any day **other than**
your father upon Biblically ordained **lunar solar** seventh day Sabbath of the Bible will keep you from
the earth: for one worshipping Yahushua on His Sabbath.
is your Father,

which is in heaven. Matthew 15:8-9, This people draweth nigh unto me with their mouth, and honoureth me Neither be ye with their lips; but their heart is far from me. But in vain they do worship me, teaching for called masters: for doctrines the commandments of men.
one is your Master,
even Christ.

Please Please, prayerfully study this out from the Bible, I promise you your pastor will not willingly study this out, sad to say, most are paycheck driven.

Rome has also altered the commandments of Yahushua so that they may worship whom/what ever they wish to worship. It is clear they desire to worship idols over the Creator. Exodus 20:3

They have changed every element of *time*, removing the original method of time keeping which is *lunar solar*. The sun is for *years*, the moon for *seasons, months, weeks and Sabbath days*. Genesis 1:14 This can not be under estimated, the reason for these changes is to take worship from the creator. If, it were Rome's desire to worship and edify the Creator of heaven and earth, then why don't they place their worship on Him? Why do the majority of all their churches face the east, toward the rising of the sun and not away from the sun as the Bible prescribes? This list goes on and on . . .

Now that we have just a smidgen of background as to what Rome is up to, we can better understand and greater appreciate how and why the world wonders after the beast today.

If it is your desire to know, understand and follow the ways of our Creator, I ask for you to take a moment and pray for the guidance of the Holy Spirit. One last thing, I would suggest you grab your spouse or friends and study this material from the Bible together. Proverbs 27:17 Many times we see or hear of one spouse accepting these Bible truths and not the other. To eliminate division in any family, it is our desire both study this together.

Malachi 3:6 Psalms 19:1

The "Pope" is not the heavenly Father Yahushua here on this earth.

He is not able to forgive the sins of the world . . .

He is not god here on earth . . .

He is not the author of time . . .

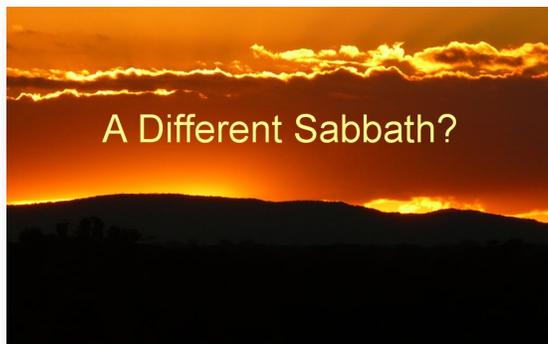

The Pope is the one who has counterfeited the original time of creation.

John 14:6, Jesus saith unto him,

I [Father Yahushua] am the way, the truth, and the life: no man cometh unto the Father, but by me.

1 Timothy 2:5-6, For there is one God, and one mediator between God and men, the man Christ Jesus; [*This is NOT the Pope*]

Who gave himself a ransom for all, to be testified in due time.

66:22-23

First let's look at "*if*" Yahushua changed His Sabbaths, wouldn't He have told us about it? Hebrews 4:4 and 8-9 tells us He did not change His Sabbaths.

Also, "*if*" it was His desire to have His Sabbaths on another day, why would our Creator have us come to His feet for worship "*from one new moon to another*" and "*from one Sabbath to another*" in the earth made new? Isaiah

"I Change not" Malachi 3:6

The Heavens Declare The Glory of God

The Following Verse Demonstrates What A *Biblical* Month Looks Like

Our Creator *never* changed from His method !!

Please note this verse begins with a "**Thus saith the Lord GOD**"

Ezekiel 46:1, Thus saith the Lord GOD; The gate of the inner court that looketh toward the east shall be shut the **six working days**; but on the **sabbath** it shall be opened, and in the day of the **new moon** it shall be opened.

1. East gate is **shut** for **six working days**.
2. East gate is **open** on the **Sabbath**. *A holy day*.
3. East gate is **open** on **New Moon day**. *A holy day*.

It is here Genesis 1:14 Yahushua gave us His method of time keeping governed by the lights in the heavens . . . It is here in Ezekiel 46:1 He further lays out His plan for what each and every month from creation is to mimic.

Ezekiel 46:1 portrays a clear picture of a *third category of day*. It is this third category of day, "*new moon day*" that **begins** each and **every month** according to the heavenly cycles ordained at creation. Genesis 1:14

It is also this unique "*new moon day*" that sheds light on how the Bible can speak of an "*eighth day Sabbath*." The following illustration demonstrates it is the "*eighth*" **day of our Creators month** that is our "*seventh day Sabbath*."

Let's take a closer look at what the Bible calls a month.

Hover over **Sabbaths**, **New Moon day**, and **week days** for further information

Continuous Weekly Cycle, Still Believe It Is Not Biblical?

When we see the verses above demonstrating something differing from what Rome now has in place, it begs the question . . . If the Bible says there are three types of days, what ever happened to the third type of day? The "new moon day?" Did our Creator eliminate this day so Pope Gregory might have the convenience of only two types of days? No, this is not the case because our Creator does not, would not change His time system. You see, the moon is still in the heavens, this is proof His system is still in place. Genesis 1:14 states He placed the lights in the heavens for a very specific reason, and Malachi 3:6 tells us He changes not. We are also warned in Daniel 7:25 this would take place that "*he would think to change times and laws.*" Because this has taken place and all the world has "*wondered after the beast,*" Revelation 13:3. We, His people have been called to "*come out of her*" Revelation 18:4.

A continuous weekly cycle without end is one of many of Satan's great deceptions. This cycle never existed at creation. It did not exist until man began tampering with time. The most exciting thing we can cling to is the fact that in the heavens made new, our Creator's original time system of three types of days each month will be restored! Isaiah 66:22-23

Gaius Julius Caesar

100 BC - 44 BC He was a Roman general, statesman, Consul and notable author of Latin prose. He played a critical role in the events that led to the demise of the Roman Republic and the rise of the Roman Empire. In 60 BC, Caesar, Crassus and Pompey formed a political alliance that was to dominate Roman politics for several years.

Julius Caesar

These achievements granted him unmatched military power and threatened to eclipse the standing of Pompey, who had realigned himself with the Senate after the death of Crassus in 53 BC. After assuming control of government, Caesar began a program of social and governmental reforms, including the creation of the Julian calendar.

The most important change, however, was his reform of the calendar. The calendar at the time was regulated by the movement of the moon, and this in his opinion resulted in a great deal of disorder. Caesar replaced this calendar with the Egyptian calendar, which was regulated by the sun. He set the length of the year to 365.25 days by adding an intercalary/leap day at the end of February every fourth year.

Widely recognized as one of history's greatest military strategists, and deified by the Roman Senate, Julius Caesar sought to depoliticize the calendar. The Julian

To bring the calendar into alignment with the seasons, he decreed that three extra months be inserted into 46 BC (the ordinary intercalary month at the end of February, and two extra months after November). Thus, the Julian calendar opened on 1 January 45 BC. This calendar is almost identical to the current Western calendar we call the

Gregorian Calendar of Pope Gregory.

calendar was in common use until 1582.

Pope Gregory XIII

Who Will You Follow, Your Creator, or Pope Gregory?

I ask each of you reading this, is it your desire to follow your Creator this day, rightly restoring His day of worship back to Him the way He had originally intended? This is what this site is all about. Again, No, we do not worship the created heavens, stars of moon. Yes we do worship the Creator of all things, but we seek to worship Him on the day in which He has set aside ordained by the luminaries of the heavens. Genesis 1:14 Not just any day, Sunday Rome has set aside, or Saturday as man thinks is a seventh day.

Was Pope from 1572 to 1585. He is best known for commissioning and being the namesake for the Gregorian calendar, which remains the internationally accepted civil calendar to this date. In 1582, he ordered the advancement of the calendar by 10 days and introduced a new corrective device to curb further error.

You reasonably ask, "What about the Seventh-Day Adventist, They worship on the seventh day. Are they worshipping on the wrong day?" The answer to this is a simple yes, they are worshipping on the wrong day. The SDA are some of the most sincere people around, I was SDA myself for over eight years. The problem is this, although they do worship on the seventh day, it is the seventh day of the Gregorian calendar, the calendar of Pope Gregory.

to them, the leaders of the SDA church are well aware of the creation Lunar Sabbaths, they have chose to ignore our Creators Sabbaths. [A full article can be read here.](#)

It is Rome the Seventh-Day Adventist Church (SDA) rightly call the beast power of Daniel and Revelation. The SDA leaders teach it is Rome who has changed the laws of Yahushua. In Daniel 7:25, it tells us "he" (The same Roman beast power the SDA church warns against) shall think to change **two** things, both *times* and *laws*. Why is it the SDA do acknowledge the changing of the *laws*, yet, they do not acknowledge the changing of *times* by Rome? Well, let's say this is NOT new

Work Days The gate is **closed**. These are not holy days

Exodus 20:8, Six days shalt thou labour, and do all thy work.

It is these six days our Heavenly Father has given each of us to earn our wages. During the times of these work days the gate to the temple is closed.

Sabbaths The gate is **open**, a holy day

Exodus 20:8-11, Remember the sabbath day, to keep it holy. 9 Six days shalt thou labour, and do all thy work: 10 But the seventh day is the sabbath of the Lord thy God: in it thou shalt not do any work, thou, nor thy son, nor thy daughter, thy manservant, nor thy maidservant, nor thy cattle, nor thy stranger that is within thy gates: 11 For in six days the Lord made heaven and earth, the sea, and all that in them is, and rested the seventh day: wherefore the Lord blessed the sabbath day, and hallowed it.

These same Sabbaths will also be kept in the earth made new. Isaiah 66:23

Many folks says,

"We no longer need to obey the 4th commandment, it's just a good idea to have a good day of rest!"

This false teaching came from man, not God. Malachi 3:6 The 4th commandments is still a commandment, like the others, don't murder, don't steal, etc. Yahushua came to save us from our sins . . . What is sin? 1 John 3:4

New Moon Day The gate is **open**, a holy day

Yahushua uses His new moon to establish His moedim, [months] and His commanded observances, Psalm 104:19. Many extra special offerings were given on new moon days 2 Chronicles 2:4, 2 Chronicles 8:13

Many [more references here](#) to the new moon and the beginning of months in the Scriptures. Also including the obligation for worshipers to observe them, Numbers 10:10; 28:11-15; 1 Chronicles 23:31; 2 Chronicles 2:4; 8:13; 31:3; Ezra 3:5; Ezekiel 46:1, 3, 6; Colossians 2:16.

Those who remained true to His Word such as Apostolic believers, continued to honor new moon day, also observing all Feast days in the New Testament, Acts 18:21; 27:9; 1Corinthians 5:7-8.

In Ezekiel 46:3 and Isaiah 66:23 we learn from Scriptures we will be keeping new moon days in the earth made new.

The Biblical language of The Passover

Yahushua was not crucified on a pagan named day such as a Wednesday, or a Thursday, or Saturday . . . The names of those days are an abomination to Him. Exodus 23:12-13 He was crucified on the **Fourteenth** of the **First month of the year**. This is the **only** way the Bible speaks of days, weeks, months and years.

John 19:31 tells us Passover took place on the sixth day of a Biblical week, the day of preparation.

John 19:31 The Jews therefore, because it was the [Day of] preparation, that the bodies should not remain upon the cross on the sabbath day, [The next day] (for that sabbath day was an high day,) besought Pilate that their legs might be broken, and that they might be taken away.

How can we know this?

Every mention in the Old Testament and the New Testament, Passover is on the sixth day of the week **and** the date of the fourteenth of the month of Abib, **counting from** the **New Moon**. He was crucified and buried on the fourteenth, He rested on His Fathers Sabbath, the fifteenth of the month. Then at the beginning of the next week on the sixteenth early in the morning, He conquered death as He rose from His tomb.

This count of days can **only** be found on a lunar-solar calendar. This count will **Never** match the pagan man made calendar of Rome ! **Never** !

It is with this simple understanding along with the language of the Bible found here, one can only conclude the Biblical Sabbaths to fall on the 8th, 15th, 22nd and the 29th of every month. These are the dates of the exodus from Egypt, and again confirmed at the cross.

- **New Moon day - Biblical - Rome wants nothing to do with this day.**
- **Six work days - Biblical - Also on the Gregorian calendar.**
- **Sabbaths - Biblical - Pope Gregory's "Lords Day" are on "Sunday."**

Those keeping a Gregorian calendar Sabbath are worshiping on a day our Creator is at work, He is not receiving worship on any days other than He has ordained as His Sabbaths, Matthew 15:9 says they "*worship Him in vain.*"

Three Categories of Days Each Month

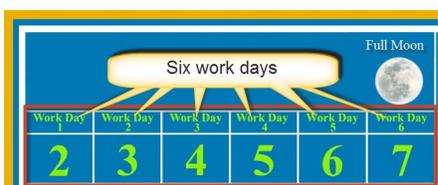

Ezekiel 46:1-2, **Thus saith the Lord GOD:** The gate of the inner court that looketh toward the east shall be **shut** the **six working days**; but on the **sabbath** it shall be **opened**, and in the day of the **new moon** it shall be **opened**.

Understand This . .

The 46th book of Ezekiel, the very first words begins with "**Thus saith the Lord GOD** (Yahuwah)." A bit of a side note. These words are from the lips of our Creator Himself . . . In knowing this we need to remember another short phrase He also uttered. Malachi 3:6 "*For I am the Lord, **I change not.***" What this should mean to each of us is that He created this world in a most perfect, and in a very specific manner, this included His systems of time/calendation and it was/is His intention to **maintain** His created time systems throughout eternity. He sees that man has "*thought*" to change His time/calendation methods as was prophesied in Daniel

7:25. The changing of times has already happened. (hence the purpose of this site, to expose just how this has taken place) He has also promised it will in the earth made new, be restored **back to His original intent**. Isaiah 66:23 This is very important to understand as each of us prayer fully move towards grasping this entire Bible truth.

Let's move on and review . . . He clearly ordained *three categories of days* to make up each complete month as He had originally created. Each category of day have been given distinct names and each have their own specifically unique functions. The "east gate" of the temple is open for worship days, Sabbaths and new moon days, these are holy days. Leviticus 23:24 Then the gates are closed for six work days, the Bible defines these days as **never overlapping**. New Moon days and Sabbaths are **both** identified as worship days in contrast to work days when the gate is shut. Each are distinctively unique categories of days. New Moon days will never be as work days, Sabbaths are uniquely different than work days and work days are never holy days. New moon days are always to be the first day of the month, and *new moon day* always follows the day next immediately following the sighting of the full moon lunar phase.

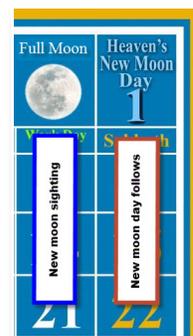

1. East gate is **shut** for six working days.
2. East gate is **open** on the Sabbath.
3. East gate is **open** on New Moon day.

Facts from Ezekiel 46:1

- Two types of days make up a **Biblical week**
 - Six work days
 - Sabbaths.
- Three kinds of days make up a **Biblical month**
 - New moon days - Holy day
 - Sabbaths - Holy day
 - Six work days - Non Holy day
- The east gate is **opened** for worship on
 - New Moon days
 - Sabbath days
- The east gate is **shut** for worship on
 - work days.
- Sabbath days and work days never overlap.
- New Moon days and work days never overlap.
- New Moon days and Sabbaths never overlap, they were divinely designed as two distinct kinds of days.
- Therefore, the New Moon day that occurs once each month is never a work day or a seventh-day Sabbath.
- However, by its very existence, the New Moon day **breaks the cycle** of work days and Sabbath days, each lunar month.

Two holy days New Moon Day Sabbaths

New moon day follows the day after the sighting of the full moon.

New Moon Day and the seventh day Sabbaths are Holy days.

- **It is impossible** for the Creator's weeks to have cycled without end since creation, the mere fact that their are **three kinds of days** and **not just two**. It is the divine plan of our Creator to place this third day at the beginning of each month. Psalms 19:1-6 This is His still small voice calling those who would *follow the Lamb whithersoever he goeth*. Yes, it is this third category of days that debunks the counterfeit creation of Rome's "*continuous weekly cycle*" as, "*all the world wondered after the beast.*" Revelation 13:3
- Cycling weeks cannot remain unbroken for 6,000 years, 6 months, or 6 weeks, for the very reason that the New Moon day exists and continues to stand as a beacon of time, thus breaking the week cycle each and every month.
- All units of time are heralded by the three part orchestration of the sun, moon and stars, the great "*principles that rule in the heavens*". These alone bear the signature of the Creator.

It is our fervent prayer that your desire is to follow the Lamb. Won't you prayer fully continue to study this so vital Biblical topic. It is because of the fall of Lucifer who later became Satan, worship has been taken from our Creator, changed His day of worship to pagan man named days. Rome's calendars hang on the wall of every household in the world, their are many versions of this calendar. Our Creators calendar has been hung in the heavens for the witnessing of every soul alive to know He is above all. Job 9:9, Job 26:7, Isaiah 40:22, Isaiah 40:26, Psalms 19:1, Psalms 97:6.

Is this a salvation issue?

This is the 4th commandment we are speaking of, this is the commandment that tells us what day to come to the feet of our Creator to give Him worship. If we do not worship on the specific day He has designated as His seventh day Sabbath, He will be at work, He is NOT in His temple to receive your worship on any pagan day prescribed by Rome. Daniel foretold of this beast power changing His times, this Satan has done. . . Won't you come out of Babylon to return to His flock?

1 John 3:4 that tells us that "*sin is the transgression of the law,*" It is the 4th commandment (Law of Yahushua) that is being broken. This is the commandment that brings glory and honor to our Creator, Is it no wonder why Satan has done all he is able to take worship from our/his Creator?

Blessings to you as you continue to seek only His truths
