Our Father's Ordained Timepiece Reveals Satan's Lies

The content of this web site offers a *life changing message*, it is ripened for these last-days. [Daniel 12:4](#)

This message crosses all denominational boundaries, it is for the meek, the strong, Christian, the Agnostic, Atheist and every other walk of life. Its scope is of monumental proportions, every living soul on earth has been affected by it's message. If you are alive and reading this today, your life has been affected by the message this web site demonstrates concerning calendation. Scriptures reflects a single theme thought out its pages, that theme is about restoration. *Please hover over Scripture verses throughout the site as they are an important part of this message.*

Yes, we know that sadly most will reject the message of this site. It has been given that we might share this vital last day message. [Mark 16:15](#)

"IF," it is your desire to do the will of your Creator, to *follow the Lamb whithersoever he goeth*, if it is your desire to have your eternal home with Him after this earth is made new, then this site is for you. It will clearly demonstrate the original intent of this created earth, how and why it has fallen into decay, the vehicle being used today to achieve the work, but most importantly the redeeming love of the Father who has given His promise of a life of eternal peace. [Titus 1:2](#)

To begin this journey, we need to gain the knowledge of what has taken place, what is taking place today and what is yet to happen. We must know and understand the tactful and subtle "*means*" in which Satan has utilized to gain his worship, but most importantly, we need to know and understand methods he has implemented and has altered to "take worship from" the One who created him. As you gain further knowledge of the historical events that have taken place over the many centuries in order to achieve these goals, it will **blow you away** !!

Daniel 7:25 States:

And he [*The beast power of Daniel & Revelation*] shall speak great words against the most High, and shall wear out the saints of the most High, and think to change times and laws

However, Rome declares: [*The same beast power of Daniel & Revelation*]

"The Pope has the power to change times, to abrogate laws, and to dispense with all things, even the precepts of Christ." "The Pope has the authority and often exercised it, to dispense with the command of Christ." - *Decretal, de Tranlatic Episcop. Cap.* (The Pope can modify divine law.) *Ferraris' Ecclesiastical Dictionary.*

abrogate
ab-ro-gate (*laws*)

To abolish, do away with, or annul, especially by authority.

Imagine that, this is exactly what Daniel had prophesied this beast power would do . .

Caused by the fall of Lucifer, then becoming Satan, and his unrelenting desire for worship, this world is no longer what it was originally intended by its Creator, it is broken and will not be renewed until it has run its course and demonstrated to all unfallen worlds the pitfalls of sin. [Isaiah 14:12-14](#)

"Prophecy is history written in advance . . History is prophecy fulfilled"

How is it the principals of the heavenly bodies that had been set forth to govern mankind and the obvious, clear intentions of creation been so altered to the point there is no knowledge of it today?

Before getting to far into the introduction and the intentions of this web site, it must be made perfectly clear that this site does **not** promote, nor does it practice Astrolatry or Astrology in any way.

We believe in the heavens created, and so for a purpose. [Genesis 1:14-19](#) [Psalms 19:1-6](#), [Psalms 50:6](#), [Psalms 97:6](#) But sadly, like the majority of good things from our Creator, all to many have been corrupted by man for his desires, in an attempt to gain dominance and power.

The underlying theme, the ultimate goal of Satan is to destroy the soul, to remove from the minds of man the promise of salvation and any and all hope for eternal life after this earth has been made new.

He has not achieved this overnight, his fraudulent plans have been in motion for some time now, but please know and understand these words . . he has indeed already, this day achieved his goals, this is why Scriptures can claims two fulfilled prophecies.

1) The Scriptures tells us "the whole world wondered after the beast,"

2) Because the ENTIRE world has wondered after the beast, hence the beckoning call of [Revelation 18:4](#)

Seventh-day Saturday keeping denominations worldwide believe they are exempt from the stigma of [Revelation 18:4](#) claiming they do not wonder after the beast, they are **not** exempt because of their parting from the original intent of the created heavens!!

Scripture studies should be conducted in group settings, we are instructed to love and support one another in our journey in learning Scriptural truths. [Proverbs 27:17](#) Given that, salvation is not a group project, one must obtain/develop a personal relationship with his or her Creator. It must be up to each individual due diligence his or her life for salvation.

This life we are currently experiencing is but only temporal. [Isaiah 65:17](#), [Isaiah 66:22-23](#), [Isaiah 66:22](#), [Revelation 21:1](#)

Unfallen worlds

Yes, we believe there are many created unfallen worlds scattered throughout. We believe this is not the first created world and its creator just got it wrong . . We believe this world is among many and the reason for it being in the condition it is currently in is because of Satan's fall and his desire for worship . . and "his desire for worship" are the key words, the overall theme of this web site. In every page, every thought as you explore this site and its content, this is the one underlying, dominant presence that **MUST** be remembered . . It is for this reason alone that the world is in the chaos it is in, because of Satan and his desire for worship.

It is our fervent prayer you will examine the evidence presented in this web site as it will have its eternal rewards.

Mountains of Scriptural evidence, a star filled heaven of astronomical splendor, along with a multitude of witnesses from the pages of recorded history, verify a pro-active assault to the Creator's celestial time-piece. [Psalms 19:1-4](#), [Psalms 97:6](#)

After many decades of book burning and Christians being martyred for their beliefs, these truths have been buried under heaps of rubble of errors in translation in fulfillment of Revelation's declaration that "all the world wondered (followed) after the beast."

Please read [Foxe's Book of Martyrs](#)

William Tyndale, just before being strangled and burned at the stake, cries out, "Lord, open the King of England's eyes", in woodcut from an early edition of *Foxe's Book of Martyrs*.

Could any day of a counterfeit time system, i.e. the *Roman Gregorian calendar*, possibly be the *antidote to "wondering (following) after the beast,"* especially if it consistently falls on a pagan Friday, Saturday, or Sunday? Should this not be cause for alarm to worship the Heavenly Father on any day, which is regularly in sync with a man-made and counterfeit calendar?

Two Opposing Time Systems

The Creator's units-of-time are all defined by the harmoniously integrated orchestration of the sun, moon, and stars. This includes weeks, months, days, and years, as defined in Genesis 1:14 that defines them in different words that mean the same. Every divinely ordained unit-of- time is directly beacons by the light of the *celestial bodies*, including the month and the week.

And God said, "Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years." Genesis 1:14

In contrast, Satan's Roman Gregorian calendar days and years are set solely by the sun, while His months and weeks are ordered after His own heart of rebellion, and are *under the spell* of an unbroken-cycle-of-successive-weeks, wholly disconnected from either the sun, moon, or stars.

And he shall speak great words against the most High, and shall wear out the saints of the most High, and think to change times and laws: and they shall be given into his hand until a time and times and the dividing of time. Daniel 7:25

Over the years, much consideration has been given to the *beast power's* change in the divine "laws," but today, our Heavenly Father has begun to spotlight the magnitude with which His "times" have been obscured under the rubble of pagan and Papal error and distributed heavily among the various translations. In place of the Creator's celestial time-piece, an "artificial" *wall calendar and clock* have been fashioned and implemented by this beast power and are hanging on the walls of every home. The clocks display the day beginning at midnight instead of sunrise to sunset. While this human devised calendar follows only the sun, dividing the long string of 365 days into spurious months, weeks and calendar dates according to the desires of their hearts. This fraudulent calendar has a direct bearing on our Father's most holy seventh-day.

Satan, in seeking worship through a counterfeit time system has *stripped* the minds of mankind from discerning our heavenly Father's time keeping components, the divinely appointed *three part harmony* of the sun, moon and stars. Working together, they signal the Creator's holy appointed and ordained feasts, quietly calling His faithful everywhere to assemble and worship at His feet. This same time system, of necessity, is beacons among all the unfallen worlds as well, past, present, so that all the created "sons of God" can assemble for worship in unison, presenting themselves before their maker at the exact same time (Job 1:6; 2:1). It will also continue to be the only ordained time-keeping system among all created beings into all future eternity as verified by Isaiah 66:22-23.

"For as the new heavens and the new earth which I will make shall remain before Me," says the LORD, "so shall your descendants and your name remain. And it shall come to pass that from one New Moon to another, and from one Sabbath to another, all flesh shall come to worship before Me," says the LORD. Isaiah 66:22-23 NKJV

Many set their clocks and wrist watches according to their employer's *time- clock*, so as not to be late for work. So much more importantly, are we to *set our soul temples* to the rhythms of not only the earthly, but the heavenly Sanctuary's luni-solar time-piece, as divinely designed by our Creator, so as not to be late for His appointed and sacred assemblies for worship. Only in doing so, do we overtly declare who we worship as we openly acknowledge our submission and dedication to all His laws and assemble in harmony with heaven's clock. Only in this way can we become citizens of the kingdom of heaven and be counted among the redeemed and welcomed as sons and daughters of God today.

The question we each must truthfully ask ourselves is- "whose time-piece or clock beckons me for each seventh-day Sabbath; is it the Pope's unbroken-cycle-of-weeks or our Creator's celestial bodies?"

Satan Desires to Receive Worship

How art thou fallen from heaven, O Lucifer, son of the morning! *How* art thou cut down to the ground, which didst weaken the nations! For thou hast said in thine heart, "I will ascend into

heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: I will ascend above the heights of the clouds; I will be like the most High." [Isa. 14:12-14](#)

Satan did not Stop there

And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast. [Revelation 13:3](#)

New Light to Come

In every age there is a new development of truth, a message of God to the people of that generation. The old truths are all essential; new truth is not independent of the old, but an unfolding of it. It is only as the old truths are understood that we can comprehend the new.

In Scripture there is no "thus saith the Lord" that Saturday is the Sabbath. Neither is there an "*it is written*" that the Creator of the sun, moon and stars, has ever recognized an unbroken-cycle-of-weeks since creation. Rather, these were *assumptions* based, on a belief that the Roman wall calendar is in harmony with the calendar in Scripture. Our heavenly Father allowed this to continue to fulfill the times of the Gentiles. It was the Heavenly Father's intention that this final message of truth was to spotlight the lost and forgotten lunisolar time-keeping system of the Creator, defining His true Sabbath to be beckoned by the perpetual "full" New Moons, rather than a man-made wall calendar.

And it shall come to pass that from one New Moon to another, and from one Sabbath to another, all flesh shall come to worship before Me," says the LORD. [Isaiah 66:23 NKJV](#)

Shockingly, neither Friday, Saturday nor Sunday are the Creator's true seventh-day Sabbath of Scripture. Consequently, *Saturday as the Sabbath* has simply never qualified as an "old truth." Saturday had never been the seventh-day of any calendar until the year A.D. 324, when Constantine moved Saturday from the first day of an eight-day pagan week, into the position of the seventh-day of a uniquely *new* pagan seven-day week that cycled without end. Many good souls believe that it is mere coincidence that an *unbroken-cycle-of-weeks* since Creation, falls on a Papal Saturday. Remarkably, Scripture is profoundly silent with regards to an unbroken-cycle-of-weeks since creation. Strikingly, the Papacy's greatest secret, and keystone of her power, is its knowledge that this profound deception is not a mysterious coincidence.

Dear friend, I challenge you to prayerfully consider the weight of Scriptural evidence as you search through this Scripture based website, as for buried treasure.
