From the earliest pages containing the creation account in our Bible, to the closing descriptions in the book of Revelation, both the old and New Testament continually make reference to the moon in the heavens.

Psalms 19:1 tells us, "the heavens declare the glory of Yahuah, and the firmament shows his handiwork, day unto day the utter speech, and night and tonight they show knowledge.

The question begs to be answered, what is it in the heavens that declare the glory of Yahuah?

Also in Psalms 97:6 tells us the following, "it is the heavens that declare His righteousness, and it is in the heavens that all the people can see his glory.

Our creator placed his calendar in the heavens for a reason:

- 1) The knowledge of our creators calendar, hangs in the heavens,
- 2) He placed it there for the entire world to see his timepiece,
- 3) Any calendar that hangs on a house wall, is merely a counterfeit.

From the biblical creation account in Genesis 1:14 we are told that the lights in the firmament is to divide the day from the night, and those same lights are for days, and for years. In verse 16 we are further told the greater light is to rule the day, and the lesser light is to rule the night, the lesser light is not the stars because he goes on further to state that he made the stars *also*.

The lesser light of the night is the moon, now the question is this:  
"why was the moon placed in the heavens?"

If we look at all the historical information that emphatically determines the moon to be the beginning of the month, we can know that Rome did its best to remove this from the minds of man, but we can still read in Isaiah 66:22 where it tells us our Creator will once again make all things new again in the same manner he had **originally** created this earth as described in His Genesis account.

Isaiah 66:22-23, For as the new heavens and the new earth, which I will make, shall remain before me, saith Yahuah, so shall your seed and your name remain. 23 And it shall come to pass, that from one new moon to another, and from one Sabbath to another, shall all flesh come to worship before me, saith Yahuah.

This is indeed the will of our Creator.

In other articles on this website we have demonstrated the language of the Bible, how every time a day, or a month is mentioned, it is never called by a name, especially a pagan name, there's a reason for that.

***This in the context of the seventh day Sabbath:***

Exodus 23:12-13, For six days do your work, and on the seventh day keep the Sabbath; so that your ox and your ass may have rest, together with the son of your servant and the man from a strange land living among you. Take note of all these things which I have said to you, and ***let not the names of other gods come into your minds or from your lips.***

You see our creator despises the use of pagan names, even in the context of his calendar, this is why you will only find that days, and months are only counted to, anywhere in the Bible.

In addition to the lack of pagan weekday names found in the Bible, you will find the word new moon all throughout the Bible, it is this new moon that every day of the month is counted from. And because every day of the month is counted ***from a specific point***, that point begins at His new moon that refreshes every month, this is why our heavenly father's Sabbaths always fall on the 8<sup>th</sup>, 15<sup>th</sup>, 22<sup>nd</sup>, and the 29<sup>th</sup>.

So what about in the earth made new? What plans does our creator have for his people to come to his feet for worship and the earth made new?

Isaiah 66:22-23, For as the new heavens and the new earth, which I will make, shall remain before me, saith Yahuah, so shall your seed and your name remain. 23 And it shall come to pass, that from one **new moon** to another, and from one **Sabbath to another**, shall **all flesh come to worship before me**, saith Yahuah.

It's just that simple folks, as you read the balance of this website it will become very clear to you the intent of Satan, has always been to separate man from the only One who can give him salvation.

Over the past several thousand years Satan has been diligently working behind the scenes to remove from the minds of man the original calendar of creation that is clearly spelled out all throughout the Bible, but will again in the earth made new, be restored to its original intent, saith Yahuah.

Why is the "Moon" mentioned more than 50 times in the Bible?  
And 10 times as a "New Moon?"
