## Understanding Who We Are Dealing With Unam sanctam - What is it and what does it mean?

In Latin it means *the One Holy, i.e. Church*

**Unam Sanctam** . . . says that *all of the souls in the world belong to the Roman Catholic Church* and they do so because no one has challenged their claim. Your BIRTH CERTIFICATE IS IN ALL UPPERCASE or a reason. It is the title of the soul they CLAIM to own in their registries. They have you registered, and that is the title to your soul, *they believe they own.*

The Roman Catholic Church has a long history of *tyranny* and *oppression*. Because of her desire to control through their inquisitions, (which by the way are still in place today) they decided they would create the first express trust, called *unum sanctum* which was written in a papal bull and placed in their vault at the Vatican. The papal bull says that *all of the souls in the world belong to the Roman Catholic Church*

and they do because no one has challenged their claim. Your birth certificate is the title of the soul that **they own in their registries**. They have registered you and through that registration, they hold the title to your soul.

All around us is a controlling force many have no idea exist. We live in an invisible prison where most of the world is unaware and are unable to break free because they do not see, nor do we recognize the bars. This system, this prison, led by Satan and manipulated through the hands of Rome has been created to yoke the world. These bars are designed to take freedoms from the individual for the sole purpose of gaining worship. This process has been going on for thousands of years and will one day very soon come to an end.

We urge each of you to understand the *prison* in which you are confined to without your knowledge nor consent.

This statement of Unam sanctam by Pope Boniface VIII in 1302 was originally put into place to govern the *insane* as Rome believed they were not able to gain salvation outside the *Holy Church* of Rome.

It is this self made "law" of the Roman Catholic church which later gave credence to the notion of every human on earth requiring a *Certificate of Live Birth*, or *registering* the birth of every child on the face of the earth. This eventually has evolved to what we have today where every child born now becomes a *ward of the state* at birth.

In a nut shell, the Vatican claims to own Your Soul - ALL Birth

Certificates of all countries are registered and held in the belly of the Vatican - October 27, 2011

The **Marriage License** also evolved from this same train of thought of 1302.

Why were these measures put into place? It is the Roman Catholic church who makes the claim that *no human is capable of salvation without the involvement of the Holy Church*.

Again, please understand what/who we are dealing with here . . .

They have given themselves the title of *God on this earth* and they believe they have the right to control your destiny. I know and understand what you are thinking, the Roman Catholic church has no right or jurisdiction over my body, thoughts or my life, right? Well if this is the case, and you are reading this article, I would guess you do not have a *birth certificate*, and if you are married, you do not have a *marriage license* either . . . Is this correct? You see, just as every soul in this world, you and I are in the same *prison*. This is why Scripture tells us in Hosea 4:6, *My people are destroyed for lack of knowledge* . . . It is our Creator's will we know what *Babylon* is so we might be able to make the decision to *come out of her*. Revelation 18:4

### **Datum point**

A point which serves as a reference or base for the measurement of other quantities.  
en.wiktionary.org/wiki/datum\_point

We will be using the concept of a *datum point* in areas through this site. The main datum point we are focusing on at this time is the *point of creation* and just what system of calendation was in place at that time. It is our desire to understand how and why it has been replaced.

Remember, **The Sabbath was made for man** . . . It is the total of the fourth commandment, it is the one that brings glory to our Creator at a specific time He has ordained at creation. (It is the third commandment of the Roman Catholic church because they changed the laws. Remember, they are responsible for changing **both times and laws**.)

**Boniface VIII**

put forward some of the strongest claims to temporal, as well as spiritual, power of any Pope and constantly involved himself with foreign affairs. In his Bull of 1302, *Unam Sanctam*, Boniface VIII proclaimed that it "***is absolutely necessary for salvation that every human creature be subject to the Roman pontiff***"

## Is This Information Right For Me? Does It Really Matter?

If you love your Creator, and it is your desire to worship Him at the appointed times He has prescribed at the time He created this world, this site is for you. In other words, if it is your true desire to worship on the Sabbaths He has called *My Sabbaths*, [Leviticus 19:30](#), [Isaiah 56:4](#), [Isaiah 58:13-14](#), [Ezekiel 20:12](#), [Ezekiel 20:20](#), [Exodus 31:14](#), then coming to know **when His Sabbaths** are will become the most important time spent in your life. Is it going to be easy? No, to follow the timing of His true fourth commandment *lunar Sabbaths* will not be easy. His ways are far above mans ways. [Isaiah 55:9](#)

Our *Creator's Sabbaths* are not in harmony in any way with the *Gregorian calendar* man follows today. This is one reason Scripture tells us the whole world is wondering after the beast. [Revelation 13:3](#) You will need to make adjustments in your work schedule, but it is the ***most important*** topics you will ever share with any one of your friends.

You see, just like the sport fan spends time with his/her favorite sport, so must we spend time with the favorite one in our life. This is what the Sabbath is all about, not just setting aside any day of the week as some believe and have been taught in so many churches today. We ***must*** first recognize it is our Creator who has established the rules here.

He has, from creation, ordained a very ***specific day***, as His Sabbath. Again, this is not the seventh day of the week the world follows, (from the Gregorian calendar). We're talking about the seventh day of the calendar ***He has established in the heavens***: [Psalms 89:37](#) as His **days** and **years**. [Genesis 1:14](#) He designed at creation an everlasting covenant with His people. [Isaiah 24:5](#)

We need to mention at this point, we at Sabbathofthebible.com do ***NOT*** worship the moon, the sun nor anything of the heavens or this earth. [Exodus 20:4](#) We worship ***only*** the ***Creator*** of the heavens and earth and the Creator only. [Revelation 14:7](#)

I know this concept is new to most who read this article, but it is the *faithful witness of the moon* which beckons our Sabbaths. This is the way He designed it at creation, this is why we are called *lunar Sabbatarians* and may be why we are called a *peculiar people*.

[Deuteronomy 26:18](#), And the Lord hath avouched thee this day to be his peculiar people, as he hath promised thee, and that thou shouldest keep all his commandments.

Remember, the ***only day*** our Creator will be available to receive your worship, is on the Sabbath day He has set aside. The ***Gregorian Saturday*** is ***not*** His Sabbaths, nor is the first day of the week Rome calls ***Sunday***. No, not any day Rome has set aside. It is Rome who has changed the *times and laws* of our Creator.

**Please ask yourself these questions**, "Why would our Creator wish to worship on a day Pope Gregory of the Gregorian calendar has called his Sabbath/Sunday?" Scripture warns us against the beast power ***changing times***. [Daniel 7:25](#)

Many Saturday keepers believe and say their Saturday Sabbath is *only in harmony with the Gregorian calendar*. Do you really believe for one moment our ***Creator's Sabbaths*** would *be in harmony* with a Saturday, pagan named Sabbath? This is the same beast power He has so adamantly warned us against?? [Daniel 7:25](#), [Revelation 18:4](#) This is beyond ludicrous! Yet many believe this to be true. Our Creators Sabbaths are on His terms, Period.

His Sabbaths are beckoned by the lights of the heavens. [Genesis 1:14](#) His Word refers to them as the **8th**, **15th**, **22nd**, and the **29th** of each month. [Isaiah 55:8-9](#) This warning He has given us pertains to ***ANY pagan named day*** of the week. This also includes ***Saturday***, ***Friday*** or ***any other*** pagan named day of the Gregorian week.

Here is a warning from [Exodus 23:10-13](#) in the context of the seventh day Sabbath:

Six days thou shalt do thy work, and on the seventh day thou shalt rest: that thine ox and thine ass may rest, and the son of thy handmaid, and the stranger, may be refreshed. And in all things that I have said unto you be circumspect: and **make no mention of the name of other gods, neither let it be heard out of thy mouth.**

Now does that verse sound like our Creator might at all use the pagan named week days of Rome to usher in His Sabbaths? **Not A Chance !!**

**This is not a difficult concept.** If our Creator has what He is calling *My Sabbaths* in [Ezekiel 22:8](#), and they are **not** on the same day I am worshiping on, whether it be a *Saturday*, *Sunday* or any other day of the week . . . If we also know our Creator works six days a week and rest on **His Sabbaths** (the seventh day) [Exodus 20:8-11](#). We have that example from His creation of this world . . . doesn't it only make good sense to know these two days mentioned are indeed **two different days** that **do not match up?** Now, if they do not match up, and **it is my desire** to be at the feet of my Creator on the day He calls **His Sabbaths**. It is **me** who needs to adjust my schedule for the day I am worshiping on, so I am able to be at His feet to **give Him my worship** on the day **He says He will be there to receive my worship?** I mean, Isn't this why we go to church anyway? To give **worship** to our Creator.

#### **Holy Father?**

[Matthew 23:9](#), **And call no man your father upon the earth: for one is your Father, which is in heaven. Neither be ye called masters: for one is your Master, even Christ.**

Please, do not take our word for anything we are stating here, read, prayerfully study Scripture.

Please study this vitally important topic with this same burning desire as the sport fan pursuing his desires, you will feel the urge to dig into this subject. You **will want to learn** of His days of worship that have been so violently taken from our Creator.

[Matthew 16:26-27](#) Please take the time to download and read the "[Foxe's Book of Martyrs](#)" to help in understanding the persecution the earlier Christians went through for their faith.

## **The Sabbath, and Our relationship With Our Creator**

The Sabbath is vital to our relationship with Heaven because it shapes the way we perceive and worship Him. We should remember the Sabbath by *formally* worshiping Father on His set apart day. Otherwise, we forfeit that special understanding that He wants to develop in us by worshiping Him on that day. Many insist "***We are to worship Him every day,***" and this is true, but it is the seventh day He has **set aside specifically** for mankind to cease from our work and spend that specific day with Him.

[Ezekiel 46:1](#), Thus saith the Lord GOD: The gate of the inner court that looketh toward the east shall be shut the six working days; but on the sabbath it shall be opened, and in the day of the new moon it shall be opened.

It is by ceasing our normal work and personal activities [Isaiah 58:13](#) that we are reminded of an essential lesson every week. After six days of creating the heavens and the earth and everything in it, our Creator ceased molding the physical part of His creation and ***rested on the seventh day.*** [Genesis 2:1-3](#)

What is your desire in continuing to attend a certain church? Perhaps you like their *wonderful coffee break*, or maybe it's the church your *parents always attended?*

It is our prayer that this site will show you a much **greater reason**, that we may assist in shedding the light of Scripture on the knowledge of what our Creator calls **His Sabbaths**.

## Is the Sabbath important to the One who gives you breath?

The correct Sabbath is important because it reminds us who our Creator is. It is a reminder that He created the Heavens and the Earth in six days and rested on the seventh, the day He calls "**His Sabbaths.**" [Ezekiel 20:12](#), [Ezekiel 22:8](#), [John 14:15](#), [Leviticus 24:8](#), [Exodus 20:8](#)

It is a reminder of who our Creator is and who it is we serve. [Ezekiel 20:19-20](#)

The Sabbath is important to Yah, because it shows that it is He who sanctifies us. [Exodus 31:12-13](#)

The Sabbath is important to God because it is a sign between Him and His People forever. [Exodus 31:16-17](#)

Can it be said that if I worship on Sunday, I serve Rome? Yes, **Sunday is her counterfeit day.** This is the day she has established as her venerable day of the Sun, Sol Invictus. This is exactly why we are told to "get out of her." [Revelation 18:4](#)

Yes, He was speaking to the children of Israel, but God says whoever joins themselves to Him, to serve Him and to love Him, they shall not be separated from His People, the children of Israel. [Isaiah 56:1-8](#)

### Genesis 1:14

And **God said**, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for **days**, and **years**

Days and Years are both elements of time

### Psalms 89:37

It shall be established for ever as the moon, and as a faithful witness in heaven. Selah.

It shall be established for ever as the moon, and as a faithful witness in heaven. Selah. **Days and years** are *elements of time* are they not? Now I ask the question, has our Creator ever replaced His time pieces of the heavens at all? I ask the question a bit differently, has our creator ever replaced His time pieces of the heavens with what the world wonders after today, what we know as the Gregorian calendar? Again, the only answer is no. [Malachi 3:6](#) So who did change "time," and WHY to what the world follows today?

Just as we mentioned in the above paragraph, [Daniel 7:25](#) warned us someone would be attempting to *change times and laws*. Well, someone certainly has and that someone who has changed both *times and laws* is Rome.

This site believes the Sabbath is very important to the Father. And if it is important to Him, it should be important to us, to those who serve the God of Abraham, Isaac and Jacob.

**It is a Day, His Sabbaths to honor Him as our Creator.**

We are called **Lunar Sabbath Keepers**, or **Lunar Sabbatarians** because we keep our Sabbaths according to the lights in the firmament of the heaven, specifically the phases of the moon as our Creator has given them to us at creation. Sunday is the day the Roman Catholic church has established to honor and pay homage to the sun. One of their sun gods is Sol Invictus.

The only way any and all Sabbaths are *mentioned in Scripture* is by numbered days, these days are the **8th**, **15th**, **22nd** and the **29th**. Again, Exodus 23:10-13 it tells us to not allow pagan names (of gods) to be uttered from our lips. This must be mentioned again, the reason times have been changed is multifaceted.

- To take worship from our Creator. Isaiah 14:12-14
- It is Satan's desire to receive worship. Matthew 4:9
- It is Satan's desire that no man might see the kingdom of our Creator. 1 Peter 5:8
- The perfectly orchestrated desire of Satan is now leading the world today to a New World Order. Revelation 13:14-18
- This NWO will last but only for a moment in time as our Creator will bring an end to all things. Revelation 17:12
- Rome claims to be the only church to forgive sins. Scripture clearly states otherwise. John 14:6, Acts 4:12 Is it no wonder the Catholic church has been the only interpreter of Scripture for so long.

### Sol Invictus

(Unconquered Sun) was the official sun god of the later Roman Empire and a patron of soldiers. In 274 the Roman emperor Aurelian made it an official cult alongside the traditional Roman cults. The god was favored by emperors after Aurelian and appeared on their coins until Constantine.

### Is this message for me?

This site has **NO denominational boundaries**. Scripture expresses in Revelation 18:4 for His people to **GET out of her** . . This call is to every soul of the human race, not any single religious organization, nor any single creed or color.

The call to *get out of her* is the motive behind Sabbathofthebible.com. It is our desire to bring this good news to the knowledge of the people of the world, that they might have the knowledge to make an intelligent decision to come out of current day Babylon based on Scripture and historical information as to what/who makes up Babylon. Hosea 4:6, Revelation 14:8, Revelation 17:3-5, Revelation 18:4, Revelation 17:16, Revelation 18:2

The tribulations each of us experience daily are much deeper than we are able to imagine and its cause is of a much larger force than most are aware of. Ephesians 6:12-15

We will demonstrate how Satan, since his fall to this earth, has been taking worship from his Creator. Isaiah 14:12-14 In his quest to achieve his goals, he has removed our Creator's feast days and changed the day on which our Creator has ordained for worship.

It is our fervent prayer that you would come to know and understand these truths of our Fathers Sabbaths and join those around the world in restoring the original Sabbaths of creation, thus returning worship back to our Creator. Revelation 18:4

### Purging Our Mind of Babylon

Revelation 18:1-4, And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory. And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is

become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird. For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies. And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.

### What, Who, Where is *Babylon* as spoken of in Revelation?

There is so much to be said about Babylon. In order to do justice and fairly identify "her," this will be covered in much greater detail later. For now Babylon is a system of governments pursuing their quest in sin as it seeks to destroy man. They are *as a roaring lion, walketh about, seeking whom he may devour*. 1 Peter 5:8

#### Whore of Babylon

An 1800s Russian engraving depicting the Whore of Babylon riding the seven-headed Beast (a Sarrush)

- She is the first beast of Revelation 13:1-10
- Mystery
- Babylon the great
- Mother of prostitutes
- And of abominations of the earth
- Babylon / a symbolic woman
  - prostitute
  - adulterer
- A woman is used symbolically by the Book of Revelation to refer to a Church.
- Associated with the two-horned beast
  - blasphemer
  - false prophet
  - one who claims to be God on this earth
  - the only country in the world who has power both in State and Church
  - the one who manipulates the second beast to implement its mark Revelation 13:11-18
  - the one who has 666 as her name, title, and authority
- The woman who sits on seven hills.
  - will be thrown away into a desert for 42 months
- She is the Babylon which was built on a wrong foundation
- Thus, declared by one of God's messengers
- "Fallen, Fallen is Babylon the Great!"

Babylon is sin. We must purge our minds of what this world now calls *Sabbath* and come to know what our heavenly Father has in store for us. This site's focus is that of the true lunar seventh day Sabbath of Scripture as prescribed as it begins in Genesis 1:14 and flows through out Scripture. It is this *sin* we are revealing to the world. It is our fervent prayer you will prayerfully study this fourth commandment topic from Scripture, gathering all the Scriptural evidence and matching it with the now known historical evidence so you might be able to make a knowledgeable decision concerning this so vital topic.

### Conclusion

2 Chronicles 7:14, If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

This is one of the most quoted verses from the scriptures. This verse contains not only the remedy for nations, but individuals as well. It contains a **promise** from our Father above. It's a *conditional promise*. **If we** abide by His conditions, **then He** will honor His promise.

Here are the conditions

1. Humble ourselves
2. Pray
3. Seek Yah's face
4. Turn from our wicked ways

These four conditions are in a natural progressive order. In other words,

1. First one must ***humble*** themselves.
2. A person who does not humble them self will not see the ***need to pray***
3. If one does not pray, it is impossible to ***seek Yahs face***.
4. A person who is not seeking Yahs face will ***not turn from their wicked sins***.

Just as His laws are designed to bring order, this is the divine order for seeking His face. It all begins with humility towards Yah. When we are humbled, then we will turn to Him in prayer and seek His attendance in our life. As we **grow** in the Spirit by walking with Him, He will influence us. Hence, we will become more like Him, loving righteousness and hating iniquity.

Acts 5:29, We ought to obey God rather than men.
