This Page will demonstrate how the entire world is in Babylon. Who Scripture is calling when it announces, "get out of her my people."

We will present both **Scriptural** and **historical** evidence of how the changing of *times and laws* as prophesied in Daniel 7:25 has already taken place. The ramifications in each of our lives, and what Scripture teaches us to do because of these changes.

## Lets look at both Scripture and History

### Scripture - Daniel 7:25 States:

And he [*The beast power of Daniel & Revelation*] shall speak great words against the most High, and shall wear out the saints of the most High, and think to change times and laws

### History - However, Rome declares:

"The Pope has the power to change times, to abrogate laws, and to dispense with all things, even the precepts of Christ." "The Pope has the authority and often exercised it, to dispense with the command of Christ." - *Decretal, de Tranlatic Episcop. Cap.* (The Pope can modify divine law.) *Ferraris' Ecclesiastical Dictionary.*

#### **abrogate**

ab·ro·gate (*laws*)

To abolish, do away with, or annul, especially by authority.

**Imagine that, this is exactly what Daniel had prophesied this beast power would do . .**

- We will demonstrate from Scripture, why this topic is so vitally important, especially in today's world. We are often asked, "Is this a salvation issue?" The answer is a resounding, Yes! 1 John 3:4, Hebrews 10:26
- Is the "law," the *ten commandments*, still valid today? Weren't they given only to the Jews?

- I already go to church, what difference does the day I attend make?
  - It is not the intent to condemn any denomination on this site, only to present *Scriptural* and *historical* facts.
- These and many other questions will be addressed in this article.  
Given this verse, someone is lying to us. It is either the Father, or the Pope. Who might your guess be?

## What Does The Changing Of Time, Have To Do With The Sabbath?

John 14:15 Is keeping the Sabbath important? In the heart of the law there is a commandment that has been neglected by the majority of professed Christians in the world today. It is the lengthiest of the Ten, yet it is said to be the one that "is no longer valid" by the Christian world today. It begins with the word "**Remember**," yet it is the one most *forgotten* by professed Christians. Even though it was written with the finger of Yah, in many churches today this topic receives no attention at all, many pastors are trying to erase it.

It begins with the word "Remember," "Remember the Sabbath day, to keep it holy. Six days you shall labor and do all your work, but the seventh day is the Sabbath of the LORD your God. In it you shall do no work: you, nor your son, nor your daughter, nor your male servant, nor your female servant, nor your cattle, nor your stranger who is within your gates. For in six days the LORD made the heavens and the earth, the sea, and all that is in them, and rested the seventh day. Therefore the LORD blessed the Sabbath day and hallowed it." Exodus 20:1, 8-11

He spoke the Sabbath commandment Himself, He wrote it on tablets of stone and again declares in the New Testament "**Heaven and earth shall pass away, but my words shall not pass away.**" Matthew 24:35 Based on the words of our Father, His commandments **do still stand**. Why is it we have forgotten the one and only commandment that begins with the word "remember"?

Is keeping the Sabbath important, for New Testament Christians such as ourselves? If so, what is required by our Creator to keep His Sabbaths holy? If we intentionally neglect our Creator's ten commandment, could it keep us out of heaven? If "sin is the transgression of the law," 1 John 3:4, Hebrews 10:26 isn't disregarding the *fourth commandment* breaking the law?

The bottom line is this, it is because of the fall of Lucifer who became Satan, he wishes to gain all the worlds worship. Matthew 4:9, 1 Peter 5:8 It is Satan working through the media of Rome who has changed the "*times and laws*" just as Daniel 7:25 prophesied. Satan needs Rome to facilitate his changes. It is through these changes Satan will move toward world worship, this after his final push to remove worship from the very One who created him.

### Two fronts are advancing here:

1. Is to remove from the minds of man the original calendar of the heavens our Creator had placed in plain sight for every living soul on earth to see.
2. Very soon Rome, under the direction of Satan, "Sunday Laws" will be implement, forcing all to worship on the pagan day of the "sun".

THE UNIVERSAL JEWISH ENCYCLOPEDIA [410]

**HOLIDAYS** (*yamim tovim*, singular *yom tov*, corrupted in popular speech to Yontovim and Yontev). The Jewish holidays may be grouped under the following heads:

1. **Sabbath and New Moon** (*Rosh Hodesh*), both periodically recurring in the course of the year. **The New Moon** is still, and the Sabbath originally was, dependent upon the lunar cycle. Both date back to the nomadic period of Israel. Originally the New Moon was celebrated in the same way as the Sabbath; gradually it became less important, while the Sabbath became more and more a day of religion and humanity, of religious meditation and instruction, of peace and delight of the soul, and produced powerful and beneficent effects outside of Judaism.

This will dictate that every man, woman and child attend "Sunday worship." You see, Satan not only wants to take worship from our Creator, he has also setup the venerable day of the Sun, **Sol Invictus** as his counterfeit day of worship. We will go into more depth on this.

**Read and understand this very carefully**, it is Rome who is responsible for the *changing of times*, (*this is the implementation of the Roman Gregorian calendar*) from what has been ordained by our Creator at creation. The time keeping of our Creator was originally by the phases of the moon . . . It is this changing of time that has lured man into a counterfeit day of worship that is something other than what our Creator has specifically set aside as **"His Sabbaths."** Genesis 1:14 The original time keeping by the luminaries of the heavens has been **removed from the minds of man** by Satan, **for the purpose of taking worship from our Creator.**

## Which Elements of Time Have been Changed by Rome?

### ! EVERY - SINGLE - ONE !

Most will recognize the following changes:

1. The Roman calendar the world wonders after today is from Pope Gregory. We call it the "**Gregorian calendar.**"

Daniel warned of the changes to come, Daniel 7:25

The changes **were made**, today the world **wonders** after the beast by following its changes, Revelation 13:3

Yet, our Creator is calling His people **"GET out of her"** and her sins, Revelation 18:4

Why is it called a "sin?" Because it is the fourth commandment that is being broken.

What is "sin?" "For sin is the transgression of the law." 1 John 3:4

Yes, it is the fourth commandment, **"Remember to keep the Sabbath holy"** Rome has taken away and thus causing the world to follow in it's sin.

2. John 11:9, **Are there not twelve hours in the day?**

- o Then why does man follow a 24 hour clock? It is talking of daylight hours because Scripture speaks of the dark hours as **night**.

3. When a year begins. Today, a Roman year begins in winter. Scripture says the year **begins in the spring.**

- o Exodus 12:2
- o Leviticus 23:5-6
- o Deuteronomy 16:1

4. In addition to twelve hours in the day, Scripture speaks of the four watches of the night.

- o Luke 12:38, And if he shall come in the second watch, or come in the third watch,
- o Matthew 14:25, And in the fourth watch of the night . . .

5. Notice the language Scripture always uses in describing days, months and years . . .

- o Genesis 8:13, And it came to pass in the six hundredth and first year, in the first month, the first day of the month, the waters were dried up from off the earth . . . **No pagan names here**

6. Scripture warns against the use of pagan names such as the week day names of pagan gods of Rome.

- o Exodus 23:10-13, Six days thou shalt do thy work, and on the seventh day thou shalt rest: that thine ox and thine ass may rest, and the son of thy handmaid, and the stranger, may be refreshed. And in all things that I have said unto you be circumspect: and make no mention of the name of other gods, neither let it be heard out of thy mouth.

I beg you to find a single pagan named day used by our Creator anywhere in Scripture. You will not find one. Why? Because the calendar man wonders after today is not the calendar our Father intended for man to follow. **Ever!** Exodus 23:13
