On this page we will explore:

- a few unclassified documents, stating such things as a “*flat stationary earth*”,

NASA, CIA and other government organizations would even consider such language, if the possibility did not exist.

Concerning the number of documents available to the public, this is an extremely small sampling. Please do your due diligence as each of us need to research this important topic further.

The following links are truths debunking the lies NASA has been indoctrinating you with concerning satellites. **Satellites are not used for standard cell communication !!**

NASA would have you believe there are many thousands of satellites encompassing the earth accommodating the communications of the world including GPS.

Try finding a GPS signal for your drone or your cell phone in the remote areas of the world.

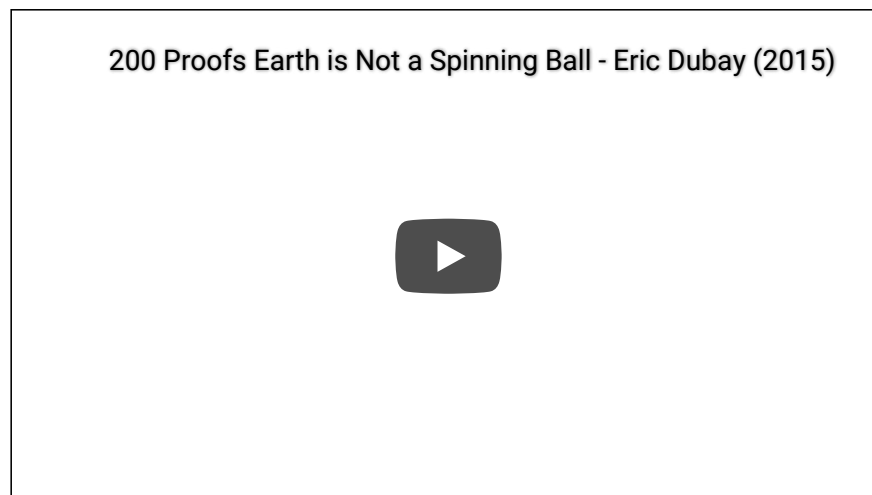

- demonstrate satellites do not exist as you thought they did,
- and a few videos that demonstrate how 99% of the worlds data is transferred.

To start things out, here is a longer video on this topic where he presents good material on Government docs and more.

YouTube will at times display an embedded video as "Video unavailable".
We apologize for that, this is out of our control.

Please understand that these documents do not prove anything.

What these documents do, is to raise the question as to why such prominent organizations such as

I can personally testify the signals are invalid and nonexistence.

So, IF, satellites do exist, why the need for so much underwater cable?
Because satellites do not exist/cannot exist with a firmament overhead
the way they would have you believe!

Here is a decent documentary type video by
Don't sphere the truth, 1:23:35 long.
Worth the watch.
