SDA pastors John Stanton, David Asscherick, & Doug Batchelor insist to their parishioners the "Signs" for a 7th day Sabbaths are not in the heavens.

This presentation demonstrates without question the "*Signs*" are in the heavens that point to our Creators 7th day Sabbaths.

Continuous Weekly Cycle, Or 3 Types of Days.

Continuous Weekly Cycle, Or 3 Types of Days

The "*Continuous Weekly Cycle*", of 7 days, is not found in Scripture.

This is a product of modern Roman calendars. It also provided a counterfeit 7th day Sabbath . .

If this 7th day is a product of Rome, it cannot be a 7th day of creation.

This video reveals new footage likely not viewed by most.

John Lomacang/Doug Batchelor, both SDA Pastors, reveal their knowledge of a 3rd type of day.

It also demonstrates how from its conception, the Seventh-Day Adventist church has been intentionally hiding the truths of the lunar-solar of Scripture Sabbaths from their parishioners.

Their "leaders" have demonstrated repeatedly they desire to cling to the Gregorian calendar of Pope Gregory.

There General Conference meeting that addressed this topic clearly reveals the true intent behind hiding the calendar of creation.

Many, who hold an interest in maintaining a seventh day Sabbath according to Scripture, have understood why the moon was created on the 4th day of creation.

Yet, Seventh-Day Adventist and others maintain a Saturday 7th day according to the Roman calendar of Pope Gregory; will insist the moon cannot be used for purposes of calendation because the moon was not created until the 4th day.

Some claim the moon is a result from a meteor strike to this earth. We will allow Scripture to reveal its origins . . .

"Time," was placed in the heavens at creation..

Can Doug Batchelor make his case for a Seventh day Sabbath?

Their leaders are deceiving the good people of the Seventh-Day Adventist church as they insist on following the Roman pagan schedules of a continuous weekly cycle.

Over the past centuries, man has attempted to **remove** the original created calendar of the heavens from the minds of man.

SDA, along with other "Saturday Sabbath Keepers" have fallen prey to the pagan Roman day of Saturday-Saturnalia.

Too often, SDA video editors and others have taken videos of an actor playing the part of a Bishop, reciting quotes from/as a Bishop of the Roman Catholic Church to justify their 7th day of the Roman calendar as the 7th day of Scripture.

When a lie needs to be broadcasted, it needs to be done as many ways as possible.

[Here](#) is a video that demonstrates the bigger the lie, the more often it's told, the more you are able to get folks to believe it.

From the time this world was created, man has been attempting to control the matters of what our Creator has put into place.

Time, as we know it today, the following of the Gregorian calendar is by no means the original intent of what our Creator put in place at creation.

In order to obtain his date of 1844, and his 2300-year prophecy, William Miller utilized The "[Jewish Lunar Calendar](#)"

These are the true "*Lunar*" roots of the SDA church.

Yes, they categorically know. The day of Saturnalia is simply easier to blend in with the rest of the world and comfortably convenient.

In Scripture, NEVER is a Sabbath called "Saturday," but only a numbered day of the month. Yes, there is a reason for that, just as a "New Moon" day IS often mentioned in Scripture.

NO Saturday mentioned = Saturday IS a counterfeit.

Pope Gregory was not around at the creation account.

The true 7th day Sabbath of Exodus 20 can only be found by the luminaries of the heavens.

The Scriptural Sabbath cannot be found on a Gregorian calendar of Rome.

All Sabbaths fall on the 8th, 15th, 22nd and the 29th of a **lunar** month.

The SDA church utilizes many Roman quotes in vain to validate their Saturday pagan 7th day Sabbath of Rome, yet they insist this pagan 7th day is the same seventh day of creation and Exodus 20:8.

Nothing could be further from the truth.

This video will demonstrate just how they use Rome in an attempt justify their Roman 7th day Sabbath.

Time has been changed in a very specific and deliberate way to take worship FROM our Creator.

It is only when we are in sync with the rhythms of time as originally created, that we are able to understand the true and original meaning of His seventh day Sabbaths of Exodus 20:8.

This video is a plea to all Seventh-Day Adventist parishioners to please consider

1) What their church leaders are hiding from them concerning our Creators true seventh day Sabbaths.

2) To please research the true Sabbath of creation, opposed to that of the seventh day of the Roman Empire.

Why would a Seventh-Day Adventist church invite a Roman Catholic priest into their worship?

This is of the very beast power **they warn against!!**

This church has adopted Rome's pagan day of "Saturday" for worship.

How long before they submit to bowing to Mary? Their church leaders already encourage them to bow to Allah
